## TEMASEK REVIEW 2019

### PANELLIST BIOGRAPHY

#### **Dilhan Pillay SANDRASEGARA**

##### ***Executive Director & Chief Executive Officer***

Dilhan joined Temasek in September 2010 and is currently Executive Director & Chief Executive Officer. Since joining the firm, Dilhan has held various leadership roles, including Head of our Investment, Portfolio Management, and Enterprise Development groups. He has also led various market teams including Singapore, the US and Americas.

Dilhan is a proactive champion of change and innovation both in and outside of Temasek. He led the Enterprise Development groups to build new longer term growth engines, and focus on early-stage, innovative opportunities. He played an instrumental role in setting up initiatives such as Heliconia Capital and Clifford Capital.

Dilhan also contributes actively to the public domain. He is a member of Future Economy Council, an initiative by the Singapore Government to oversee future skills and innovation efforts to prepare for potential technological and/or economical disruptions and opportunities. He also sits on the Financial Centre Advisory Panel of the Monetary Authority of Singapore, and the boards of the National Research Foundation (NRF) and Enterprise Singapore.

Prior to Temasek, Dilhan was the Managing Partner of Wong-Partnership LLP, one of the largest law firms in Singapore with clients in Singapore and the region. He practiced law for over 20 years in the areas of mergers and acquisitions, corporate governance and general corporate law.

He graduated from the National University of Singapore with a Bachelor of Laws degree, and obtained a Master of Law from the University of Cambridge.

### PANELLIST BIOGRAPHY

**John VASKE**

***Head, Americas***

***Head, Agribusiness***

John joined Temasek in January 2017 as a Senior Managing Director. He is currently Head, Americas and Head, Agribusiness.

Previously, John was Co-Chairman of Global M&A in the Investment Banking Division at Goldman Sachs where he spent his entire career prior to Temasek. John joined Goldman Sachs in 1988 as an Analyst with the M&A team in New York. He relocated to Tokyo from 1989 to 1991 to help start the M&A practice before returning to New York.

In 1997, John became head of the Chemicals Group, which later merged into Energy & Power to form the Natural Resources Group in IBD. He relocated to London in 2005 to lead the European Natural Resources Group. In March 2010, John returned to New York as Co-Head of the Natural Resources Group ultimately becoming Co-Chairman. John moved into his last role as Co-Chairman of Global M&A in 2015.

John is currently Chairman of the Board of PeacePlayers International, a member of the Board of Bottom Line New York and member of the Athletic Leadership Committee of Columbia University.

John graduated from Columbia University in 1988 with a Bachelor of Arts in Economics.

### PANELLIST BIOGRAPHY

**CHIA Song Hwee**

***President & Chief Operating Officer***

Chia Song Hwee joined Temasek in 2011 and is currently President & Chief Operating Officer.

Song Hwee is also a member of Singapore's Advisory Council on the Ethical Use of AI and Data, as established by the Infocomm Media Development Authority.

Prior to joining Temasek, Song Hwee was the Chief Operating Officer at GLOBALFOUNDRIES. Before the integration of GLOBALFOUNDRIES and Chartered Semiconductor Manufacturing Ltd (Chartered), he served as Director of the Board, and President and CEO of Chartered from June 2002 to December 2009. Song Hwee also held a number of management positions since he joined Chartered in 1996, including Senior Vice President, Chief Financial Officer, and Chief Administrative Officer.

Prior to his tenure at Chartered, Song Hwee was from the Schlumberger group, a global oilfield services group, where he was Regional Controller for Asia, Australia and Middle East for the drilling group.

Song Hwee received his Bachelor of Business (Accountancy), with distinction, from Edith Cowan University, Australia and is a member of CPA Australia. He was honoured with the EE Times Annual Creativity in Electronics (ACE) Award for Executive of the Year in 2007.
