PANELLIST BIOGRAPHY

YEOH Keat Chuan

***Deputy Head, Singapore Projects
Senior Managing Director, Enterprise Development Group
Temasek International***

Yeoh Keat Chuan (KC) joined Temasek in October 2017 and is currently both Deputy Head of Singapore Projects and Senior Managing Director, Enterprise Development Group.

KC oversees a number of initiatives related to building enterprises in areas such as cybersecurity, agbiosciences and food. He was the founding CEO of Ensign Infosecurity, a cybersecurity company owned by Temasek, holding this position concurrently with his roles at Temasek.

Prior to joining Temasek, KC was Managing Director of the Singapore Economic Development Board (EDB), the lead government agency for industry development and investment promotion. He held senior level positions in the EDB since 2005, overseeing the Americas, Biomedical Sciences and Engineering Cluster. KC spent a total of 9 years based in the USA (San Francisco, New York and Washington DC) during his time with the EDB.

KC is a Glaxo-EDB scholar who graduated with a Masters of Engineering (Chemical Engineering) (First Class), from Imperial College of Science, Technology & Medicine, University of London. He attended Stanford University's Graduate School of Business Masters in management science programme and graduated as a Sloan Fellow in July 2004.

He is a Board member of Ensign Infosecurity, D'Crypt and Sustenir.
